

Our Mission Statement

"The Kathy Kollig Foundation is dedicated to transforming lives through our unwavering support of local cancer centers and the future of healthcare. Fueled by the proceeds from our 5K and 10K races and in-kind donations, we passionately advocate for and fund advancements in cancer care locally while nurturing the aspirations of future nurses through scholarships. Our mission is to empower communities, drive innovation in cancer treatment, and inspire the next generation of compassionate healthcare leaders."

If you would like to donate to our Foundation with an in kind gift, please use the form below. Your donation will be recognized by announcements made at the Kathy's Run For Cancer and on printed donor boards. If you would like to donate anonymously please check the box below.

Please Return this Form and check to:

Kathy Kollig Foundation
PO Box 222
